 - (x) If the property relies on the combustion of a fossil fuel for heat, ventilation, hot water, or clothes dryer operation, whether a carbon monoxide alarm is installed on the property.

At the time the disclosure or disclaimer statement is delivered to you ("the buyer"), you are required to date and sign a written acknowledgement of receipt on the disclosure or disclaimer statement which shall be included in or attached to the contract of sale.

Section 10-702 further provides that a buyer who receives the disclosure or disclaimer statement on or before entering into a contract of sale does not have the right to rescind the contract based upon the information contained in the disclosure or disclaimer statement.

You are hereby notified that, in certain circumstances, you have the right to rescind your contract with the seller if the seller fails to deliver to you the written property condition disclosure or disclaimer statement. Section 10-702 provides that a buyer who does not receive the disclosure or disclaimer statement on or before entering into the contract has the unconditional right, upon written notice to the seller or seller's agent:

- (i) To rescind the contract at any time before the receipt of the disclosure or disclaimer statement or within 5 days following receipt of the disclosure or disclaimer statement; and
- (ii) To the immediate return of any deposits made on account of the contract.

Your right to rescind the contract under Section 10-702 terminates if not exercised before making a written application to a lender for a mortgage loan, if the lender discloses in writing at or before the time application is made that the right to rescind terminates on submission of the application or within 5 days following receipt of a written disclosure from a lender who has received your application for a mortgage loan, if the lender's disclosure states that your right to rescind terminates at the end of that 5 day period.

Your rights as a buyer under Section 10-702 may not be waived in the contract and any attempted waiver is void.

Your rights as the buyer to terminate the contract under Section 10-702 are waived conclusively if not exercised before:

ESTIMATED TOTAL ₆				\$6,653.91

The following footnote references apply only if the table above has a foot number reference.

1. Phase in value comes from the data base at the Maryland Department of Assessments and Taxation <http://www.dat.state.md.us/>, Real Property Data Search. The phase in value is for the next fiscal year, if available, otherwise the phase in value is for current fiscal year.
2. Tax rates come from the current property tax bill, which also may include several non-tax charges, at the web page of the County Government's Department of Finance: <https://www.montgomerycountymd.gov/finance>. Look for a link to "Pay or view your property tax bill on line".
3. County Property Tax is the sum of the General Fund tax and several special fund taxes.
4. All non-tax charges (for example Solid Waste, Water Quality Protection, Bay Restoration Fund, WSSC) are the charges in the current fiscal year. These charges may be different in the next fiscal year.
5. This property is located in an **existing** development district. Each year a special development district assessment must be paid. Effective every July 1st, the rate will change based on changes in the property assessment and debt service requirements. More information is available in the FAQ section of this website.
6. You must update the estimate for the property taxes and other non-tax charges
 - a. Every July 1, because the tax rates, phase-in values, and other non-tax charges will or may change; AND ALSO
 - b. In early January if the calculation used the phase-in value for the current fiscal year instead of the phase-in value for the next fiscal year, because SDAT had not yet specified the phase in value for the next fiscal year. This occurs in the period July 1 - early January in the third year of the three year assessment cycle.
7. This property is located in a **proposed** development district. At some date in the future, development district taxes may be levied to pay debt service on bonds issued to build infrastructure in the district. It is important that property owners recognize that this additional tax may be levied in the future. The rate indicated above is an estimate and will change once the district is created and bonds are issued. More information is available in the FAQ section of this website.
8. The Proposed Estimated Total includes all actual and proposed taxes and non-tax charges relative to this property.
9. This is a one time charge assessed against this property and is not an annual fee. It should be paid before the property is sold and will remain due until paid.
